What is CIMA Distance Learning? ▼

CIMA approved eLearning

eLearning contains over 120 hours of CIMA approved content from CIMAstudy.com available for 12 months from your enrolment date.

Flexible start times

Distance Learning does not include tutor-led tuition. Instead, study anytime, anywhere; setting your own pace and schedule with the official CIMA study materials and CIMA approved eLearning content.

How do I learn?

APPLICATION

Knowledge checks

As you go along knowledge checks help assess your understanding of a topic before you move onto the next one.

Marked mock exams

Practice your exam technique with mock exams. Correct answers can be viewed online so you can see where you went wrong.

Monitor your performance

You can use tests to benchmark your progress against your fellow students.

Test builder

Allows you to build your own tests with a range of exam style questions.

Track your progress

Shows you how many topics and modules you have completed and what you still need to do.

STUDY RESOURCES

Study text

Textbook covering the full subject syllabus with worked examples and activities. (Provide for E3, F3, P3, Strategic Case Study and Management Case Study)

Exam practice Kit

The kit gives you plenty of exam style questions and answers to test your knowledge and practice. (Provide for E3, F3 and P3)

Revision cards

It covers the examinable topics aimed at improving course information recall. (Provide for E3, F3 and P3)

PRINTED RESOURCES

Printed resources

As a CIMA student, you could enjoy extra discounts on purchasing CIMA official study materials, including Study Text, Exam Practice Kit and Revision Cards.

Support opening hours

Available until 8pm (UK time) on weekdays, and 9am-1pm (UK time) on weekends, so you can get help when you need it most.

Tutor support

Our team of expert support tutors are available 7 days a week to answer your questions and give feedback on your work. Contact them via email or phone. Live chat and request a callback for UK-based students are available.

Online community

Keep in touch with your fellow students and tutors through the online community discussion boards.
