winners

- Star Lecturer of Kaplan Financial - Accountancy
- Provide a simple way to tackle the exam questions and to get the easy marks
- Simplify the difficult standards in a easier way to understand
- Always provide relevant and simple examples to explain the difficult knowledge which is easy for students to memorize the key ideas

Package: 18hrs + 45mins Mock Review
(Package enrolment available only)

English

Course Description

- A comprehensive programme that helps the participants to master the technical and examination skills that are required to pass the examination. The programme covers the essential standards to address the common issues of examination
- Participants are in better position to track the tricky questions under tight examination condition by effectively identify the relevant issues for each question and offer the relevant advice by referring to the appropriate Standards in the shortest possible time
- A balance approach of knowledge-based (1/3) and revision-based (2/3) is adopted for this phrase. The lectures and lecturing materials are customised to better prepare the participants to deal the real examination

winner

- Star Lecturer of QP/FE Public Class, Kaplan Financial – Accountancy
- Has solid work experience in Investment Banks and Private Equity Funds
- Use of real-life application in explaining the complicated concepts
- Workshop Facilitator and Marker (QP and FE) (>4 years)
- Understand the weaknesses of students and able to guide students to build up a good foundation for the examination

Package 12 hrs + 45mins Mock Review
(Package enrolment available only)

English

Course Description

- As the FEB HKICPA Special topics tend to be the largest list with many sub-topics, Mark uses all his 4 FE sessions to both revise and practice tipped topic question areas in each session (unlike the education and revision phases in the modules)
- This means to cover all special topic tipped areas you need to attend all of Mark's FE sessions
- Mark selects the HKICPA's past FEB paper questions as the best for understanding and learning for each of the FEB Special topic tipped areas
